tions into the method by which an acquittal of the President was secured. It fails to convict any one of the seven Republican Senators who voted for acquittal. It casts no sunspicions upon Mr. Fessenden, Mr. Grimes or Mr. Trumbull. The same cannot be said of Messrs. Fowler, Van Winkle, Ross and Honderson. It substantially demonstrates two facts: First, that preparations were made to secure a verdict at Senator Name of the President's Senator Pomeroy as to the opinions of Senator Pomeroy as to the opinions of Senator Pomeroy as to the opinions of Mr. Fesssenden, Mr. Grimes or Mr. Trumbull. The same cannot be said of Messrs. Fowler, Van Winkle, Ross and Henderson. It substantially demon-THEBEST all hazard, and by the use of money, if necessary; second, that the votes of Mesara Ross and Henderson were given under circumstances which complicate them with the men who proposed to purchase a verdict. These two facts are not connected by any direct testimony, and to that extent the investigation has proved a failure. The exact truth in the case will probably never be known, but the acquittal of Mr. Johnson at the Imperachment trial is historson at the Imperachment trial is historically polluted, until cleansed by some all hazard, and by the use of money, if Mr. Van Winkle is nearly all of inter-

Wall Papers! points of their report:

Early last November, when it was understood that the Judiolary Committee would report upon Impeachment, a paper was circulated by the order of Collector Smythe, among the employees of the New York Custom House, calling upon them for a subscription in behalf "of the Impeachment of President Johnson." It is not known what was the exact sum raised, but it is believed to have amounted to fifteen or twenty thousand dollars. Collector Smythe refused to tell what was done with this

MENDEL'S BLOCK.

OF THE

UNION PACIFIC R. R.

Are now finished and in operation. More than twenty thousand men are employed and it is not impossible that the entire track from Omnah to Sacramento, will be finished in 800 instead of 1870.

The UNION PACIFIC RAILROAD COMPANY receive:

I.—A Government Grant of the right of way, and all necessary timber and other materials found along the line of its operations.

II.—A Government Grant of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This is a nabsolute donation, and will be a source of larger evenue in the future.

II.—A Government Grant of 12,800 acres of land to the mile, taken in alternate sections on each side of its road. This is an absolute donation, and will be a source of larger evenue in the future.

II.—A Government Grant of U2,800 acres of larger evenue in the future.

Source of larger evenue in the future.

Wilson's vote by money or patronage. Newton was a friend of Collector. Senators who so vote by money or patronage. Newton was a friend of Collector. Senator Schoel, Trumbull to the difficulties to be surmounted to fifteen or twenty thousand dollars. Collector Smythe refused to tell what was done with this will that "they would hold him finally," the conversation between Thurlow Weed, Adams, Hastings, Sheridan Mendel the spannent of the register, which was a finite of the received and the manes of seven Senators who so voted. He afterwards would he afterwards w

States Thirty-year Bonds, amounting to from \$16,000 to \$45,000 per mile, according to the difficulties to be surmounted on the various section to be built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mails &c.

IV.—A Government Grant of the right to issue its own FIRST MORTCAGE BONDS, to ald in building the road, to the same amount as the U. S. Bonds, issued for the same purpose and no more. The Government of the light to issue its own FIRST MORTCAGE BONDS, to ald in building the road, to the same amount as the U. S. Bonds, issued for the same purpose and no more. The Government prantise to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronument to find the building the road, to be in all respects a first-class Railroad.

IV.—A Capital Stock Subseription from the stockholders, of which over Eight Million Dollars have been paid in upon the work already done, and which will be increased as the wants of the Company require.

II—Net Cash Earnings on its Way Business, that already amount to more than the interest on the First Mortgage

the Kansas Legislature. Fuller informed Legate that in order to secure the President's acquittal, Coief Justice Chase must be promised the Democration omination for President, and that the vote of Senator Pomeroy, of Kansas must be secured in order to Justify Ross. Fuller introduced Legate to Cooper, of Tennessee, formerly the President's private secretary, but at this time Assistant Secretary of the Treasury. Cooper proposed to raise \$40,000 to buy Pomeroy's vote, by "settling" with some liquor men in New York whose whisky had been seized. Through some distrust of each other this plan of raising money was abandoned. In this scene Ross and Ewing appear procuring a further leave of absence for Legate from his duties, in order to remain in Washington, and obtain votes for the President. Cooper, age to all loyel men in anded by every consistant of the President. Cooper, age in all the loyal State to the people of those State. with a proposal from Policety brought at letter from Pomeroy to the same effect. Legate denies that he ever carried such; letter, Pomeroy that he wrote it; Gaylord, Pomeroy's brother-in-law; that he eyer saw it as Cooper alleged; while a clerk in the Treasury Department, well acquainted with Pomeroy's handwriting, testified that he was offered a thousand dollars to write a letter and forge Pomeroy's name to it.

Newton, the broker before spoken of, testified that he raised a hundred thousand dollars for "the use of the President that the raised a hundred thousand dollars for "the use of the President that the raised a hundred thousand dollars for "the use of the President that the raised a hundred thousand dollars for "the use of the President that the raised a hundred thousand dollars for "the use of the President that the raised a hundred thousand dollars for "the use of the President," I twenty-five hundred were raised dent; "twenty-five hundred were raised dent; "twenty-five hundred were raised dent; "twenty-five hundred were raised dent; "The dollars for "the use of the President that the stiple of t

showing clearly that Woolley did not in reality account for the sixteen thousand dollars which were raised to "pay the President's counse." It is also shown that Senator Henderson was prepared to vote for three out of the eleven articles on the day, or the day before, the vote was taken; that on that day Cooper wrote to the President that Craigs an Internal Revenue Collector, from Missouri, had seen Henderson, and that he was all right, and Evarts had said so.

SAWS.

leally polluted, until cleansed by some powerful disinfectant of rebutting evidence. To posterity it will appear impure and dishonored, if it is left in its present condition. We give as briefly and succinity as possible, the leading points of their report:

Early last Novambar when the success and the said he was preparing.

"Q. How did he say he should vote?
A. He said his mind was to vote for conviction on the lith article, and was preparing an opinion to sustain his

preparing an opinion vote.

"Q.—Did he say anything about any other article? A.—I think he did; but he did not speak so clearly and decidedly in regard to other articles as in regard to that."

Senator Fowler is implicated by Legate's testimony, who declares that Cooper informed him that Fowler was ambarrassed by some former declara-

embarrassed by some former declars tions in regard to impeachment, but that "they would hold him finally,

Those who have made up their minds that impeachment is a judicial process, and requires a judicial mind, may perhaps the part of the process and write haps gather some new light from this report.

To S100 : per month and : expenses to S100 in the part of part of

The National Union Republican party he United states assembled in Nation

or suspected.

7. The Government of the United States should be administered with the strictest economy. The corruptions which have been so shamefully nursed and fostered by Andrew Johnson, call loudly for radical re-

Andrew Johnson, call loudly for radical reform.

8. We profoundly deplore the untimely and tragic death of Abraham Lincoin, and regret the accession of Andrew Johnson to the Presidency, who has acted treatherously to the people who elected him and the cause he was pledged to support; has usuared high legislative and fudicial functions; has remed to execute the laws; has used his high claws; has employed his executive power to render insecute; the lives, property, peace, liberty and life of the difficen; has abused the pardoning power; has denounced the National Legislature as unconstitutional; has persistently and habitually resisted by every means in his power, every proper attempt at the reconspurction of the States lately in rebellion; has pervested the public patronage into an engine of wholesale corruption, and has been justly impeached for high crimes and guilty thereof by the voice of thirty-five Senators.

9. The doctrine of Great Eritain and other

missiemeanors, and properly pronounced guilty thereof by the voice of thirty-five Senators.

9. The doctrine of Great Britain and other European Powers, that because a man is once a subject he is a laway so. Differ the subject he is a relic of the feudal times, not authorised by the law of nations, and at war with our national honor and independence. Naturalized citizens are entitled to be protected in all their rights of citizenship, as shough they were native born. For either of the United States, institive or naturalized, must be liable to arrest or impresonment by any foreign Fower for ablastone or words spaced in Lander of the United States, institive or naturalized, must be liable to arrest or impresonment by any foreign Fower for ablastone or words spaced in Lander in his behalf.

10. Of all who were faithful in the trials of the late war there were none entitled to more especial honor than the brave soldlers and seamen who endured the hardsitips of the camp and cruise, and imperiled their lives in the service of the country. The bounities and presions appropriated by law more these in a layer to be forpotten. The widows and orphans of the gailant dead for the wards of the people—a sacred legacy bequesthed to the United States' protecting.

11. Foreign emigration, which in the past

care. Foreign emigration, which in the past has added so much to the wealth and increased the resources of this nations—the ay-line of all nations—should be fostered by a liberal and just policy.

12. This convention declares its sympathy with all oppressed people who are struggling for their rights.

Resolved. That we recognize the great principles laid down in the Declaration of Independence set the true platform of democratic government, and we hall with gladness every effort toward making these principles all ving reality on every link or American soil.

Resolved. That we highly command the cancer a riving resulty on every inch of American soil.

Resolved, That we highly continued the spirit of magnanimity and forbearance with which men who have served in the property of the spirit of magnanimity of the spirit of magnature with us in resolving the peace of the country and reconstructing the Southern State governments upon the basis of impartial Justice and Equal Rights, are received back into the communion of the loyal people, and we favor the removal of the disquisitions and restrictions imposed apounds in the state of the spirit of loyalty will direct, and as may be consistent with the safety of the loyal people.

An Ounce of Preventive Is worth a pound of cure. Fever and Ague can be prevented in all climates and in all constitutions by the constant use of Koback's Stomach Bittens, and off-times the very worst cases have been cured by their limely use. Persons living in malarious districts should dever be without them.

Sold by all Druggists everywhere.

"MANHOOD."—ANOTHER NEW MEDICAL PAMPHLET from the pen of Dr. Curris. The "Medical Times" says of this work: "This valuable treatise on the cause and cure of premature decline, shows how bealth is impaired through secret abuses of youth and manhood, and how easily regained. If gives a clear synopsis of the impediments to marriage, the cause and effects of nervous debility, and the remedies therefor." A pocket edition of the above will be forwarded on receipt of six stamps, by addressing Dector Curris. No. 139 F. Street, Washington, D. C. my28-lyd

Over One Hole of the Stove or Range. The Cooking Miracle of the Age!

All cooked together without the slightest exchange of flavor

The house purged of offensive smells. A child can take care of it. Ready for instant use. time—without the slightest change of flavor. It is a philosophical result which astonish-sail, and has given the stemer a popularity never equalicd by any cooking invention. Every family aboud have one. No family can afford to be without it. It will pay for itself in a very short time.
